Experience

Tech Tutoring | Founder and President **Summer 2016-Present**

Not-for-profit technology tutoring organization for the elderly • Los Angeles, CA

- Created an organization to provide technology help and tutoring to elderly homes throughout the LA area
- I serve as both the President as well as a tutor, teaching both one-on-one lessons and going to senior homes to provide help for their community
- Created and currently maintain our website and blog using wordpress.org, find us at: techtutoring.org

Zlicious Confections | Lead Website Designer..... **Summer 2016**

Gourmet Kettle Corn Company • West Hollywood, CA

- Maintained previous website while creating completely new one, then headed transition
- Worked with four other team members to finish transition of web host smoothly and efficiently
- Used GoDaddy and Squarespace to create, design, and maintain a new eCommerce store
- Ran a Facebook ad campaign and increased conversions by embedding pixels into website

Liuhe Private Equity | Summer Research Intern..... **Summer 2016**

Private Investment Fund Manager • Shanghai, China

- Learned to research startups using resources like Crunchbase and Angel
- Created comprehensive presentations on startups using those resources for Liuhe PE to then value
- Presented work directly to CEO and other Executives at the end of the internship
- Communicated in Mandarin Chinese, commuted to work via Shanghai subway system

My Gemesis | Web Consultant..... **Spring 2016**

Jewelry Retailer and Blog • Remote Work

- Provided in depth remote consulting for a new eCommerce website and blog
- Advised client on comparative domain and web hosting services by cost
- Remotely helped client to build website and set up custom domain

Tutoring Service of Long Island | Web Designer and Graphic Designer..... **Fall 2015**

Certified New York Tutoring Service • Remote Work

- Created **TSOLI** logo using Adobe Photoshop and Apple Pages
- Designed and published website using Adobe Photoshop and Adobe Dreamweaver

Torah For Life | Creator and Web Designer..... **2013-Present**

Project to Restore Damaged Torah • Los Angeles, CA

- Created and maintains **Torah For Life** project and website to help raise money for the restoration of a Torah damaged in the Holocaust, now housed at my local Synagogue
- Built website to handle online donations using Weebly as a host
- Created information pamphlet to encourage donations using MS Word and Adobe Photoshop
